## RESEARCH ASSENT FORM FOR STUDENTS UNDER 18 YEARS OF AGE (SURVEYS) OPRC STUDY GROUP

Subject Name		Date
Enhancing Students' Help-Seeking Behavior	r and Reinforcing P	roblem-Solving Skills (E-SHARP)
Title of Study		
Dr. Kiran R. Bhutani		
Principal Investigator		
		FWA000044
NVITATION TO PARTICIPATE		
	some questions ab	out help-seeking behaviors and sources of help
at you use for your math class. We also wi	ill review class no	rformance and work completed for your calculus
		u to answer the questions as best as you can. How
ou answer these questions will not have any		
		grade in the college Voll can chin any dilections
nat you do not want to answer. It should tak	ke about 5 minutes	s to answer these questions for each survey. There
hat you do not want to answer. It should takes a short survey for each the five modules o	ke about 5 minutes of the course. In ad	s to answer these questions for each survey. There ldition, there are two 10 minute surveys- one at the
hat you do not want to answer. It should take a a short survey for each the five modules o eginning and one at the end of the course. I	ke about 5 minutes of the course. In ad Participating in thi	s to answer these questions for each survey. There ldition, there are two 10 minute surveys- one at the is study will help you learn more about the
